[Localisation of humanitarian response: A proven frontier for BRAC](#)

Let us take the recent Rohingya crisis in Bangladesh- dubbed as the world's fastest growing humanitarian crisis- as a case to see why and how BRAC can be a model for the localisation in humanitarian response. [See more....](#)

PEOPLE URGENTLY NEED YOUR HELP, TODAY.

While we have already reached over 650,000 new arrivals with at least one critical service, **we need your support to keep going.**

ESTIMATED TOTAL REQUIREMENT

for next ten months
(March - December 2018)

\$ 56.4 million

\$11.53 million

committed so far

\$ 45.4 million

Remaining assistance required

ESTIMATED TOTAL REQUIREMENT
